**What is it?**

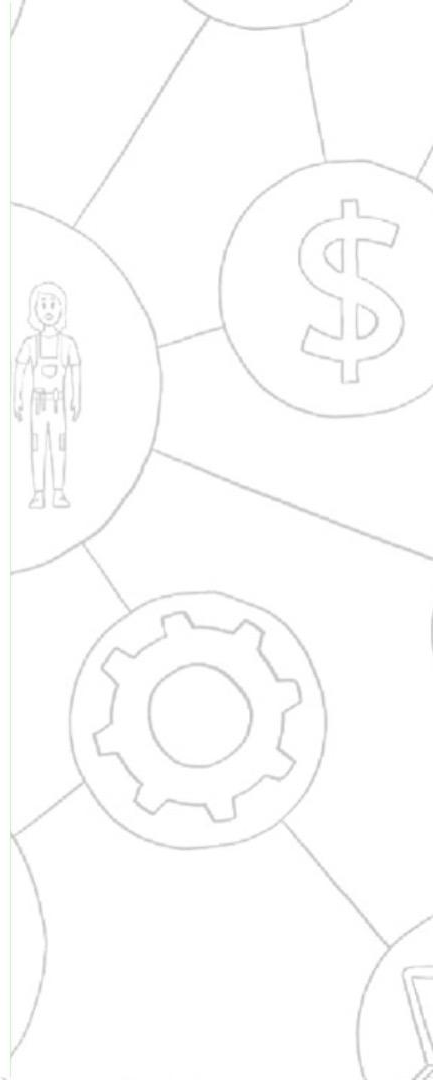

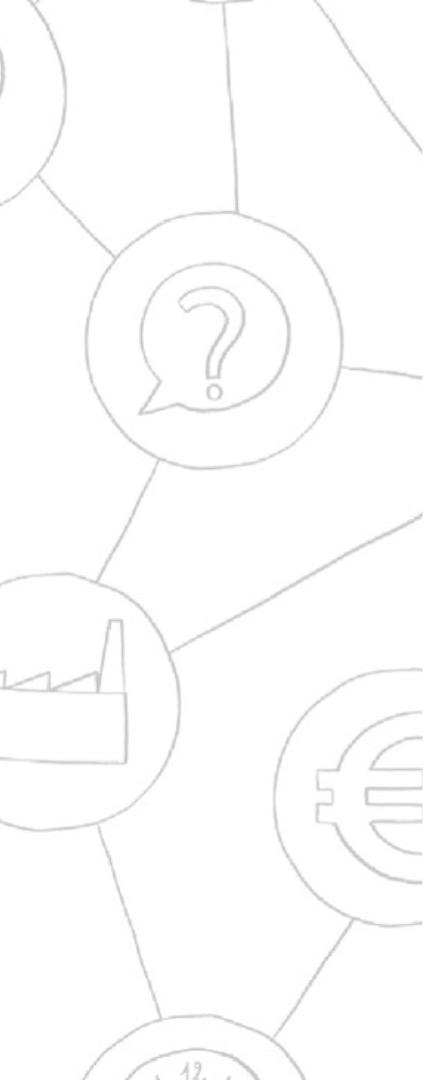

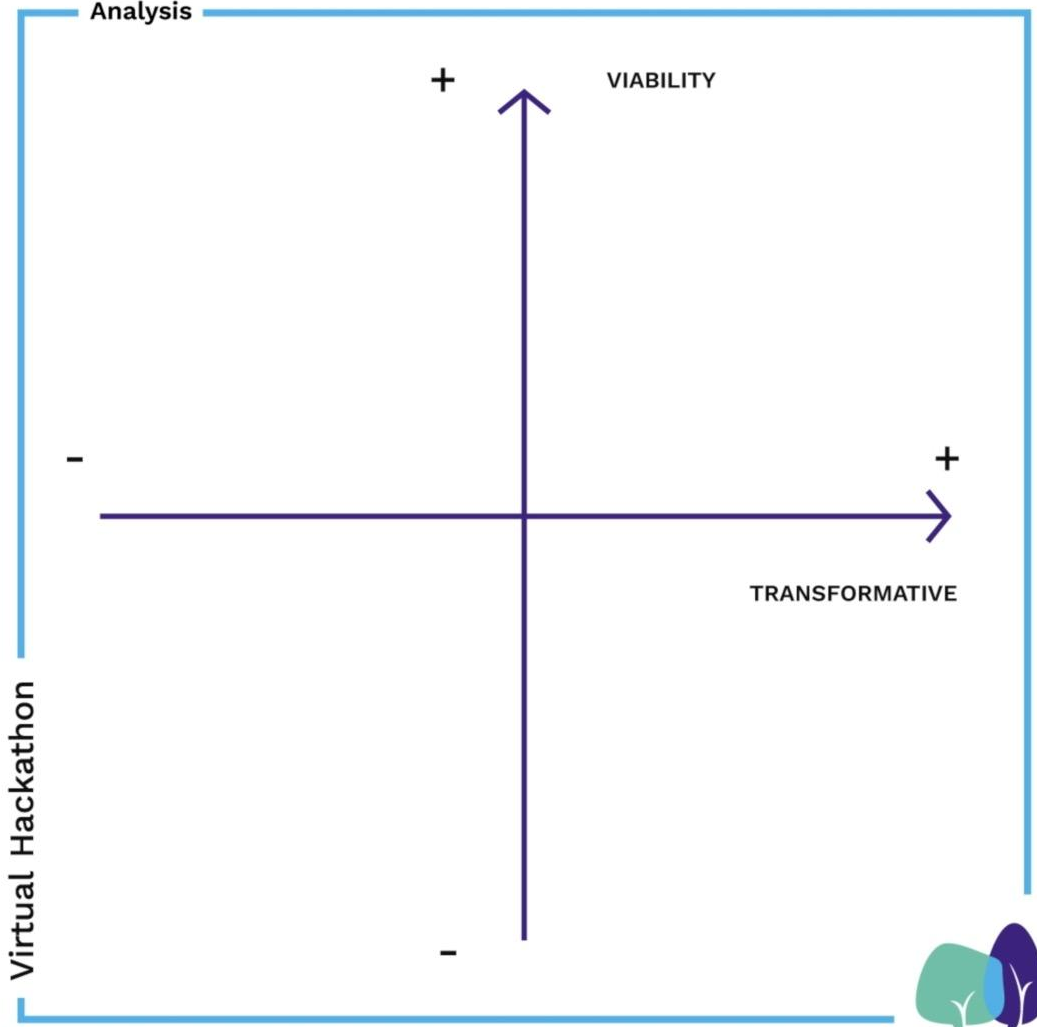

**When to use?**

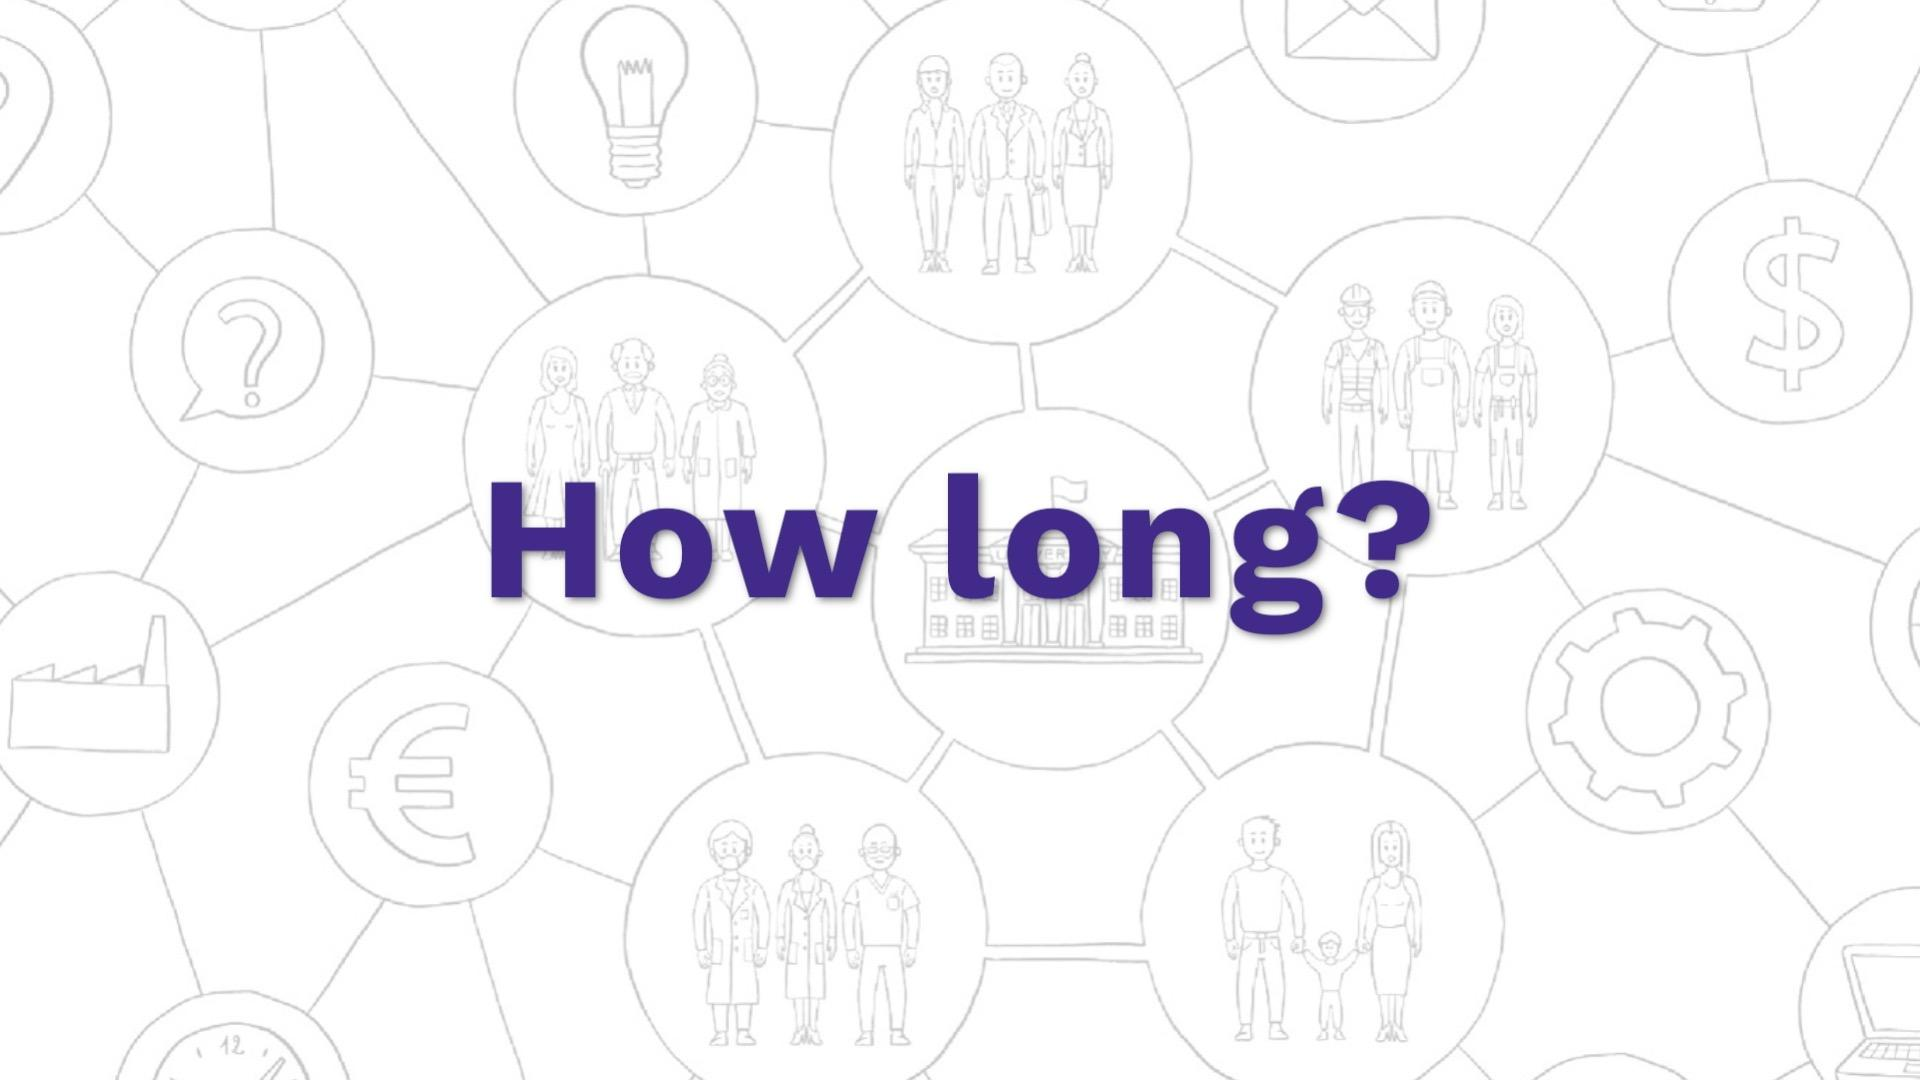

The background features a network of interconnected circular nodes. Each node contains a different icon: a lightbulb, three business professionals, a speech bubble with a question mark, three construction workers, a dollar sign, a factory, a university building, a gear, three medical professionals, a family, a clock, and a laptop. The text 'Why is it useful?' is centered over this network.

**Why is it useful?**

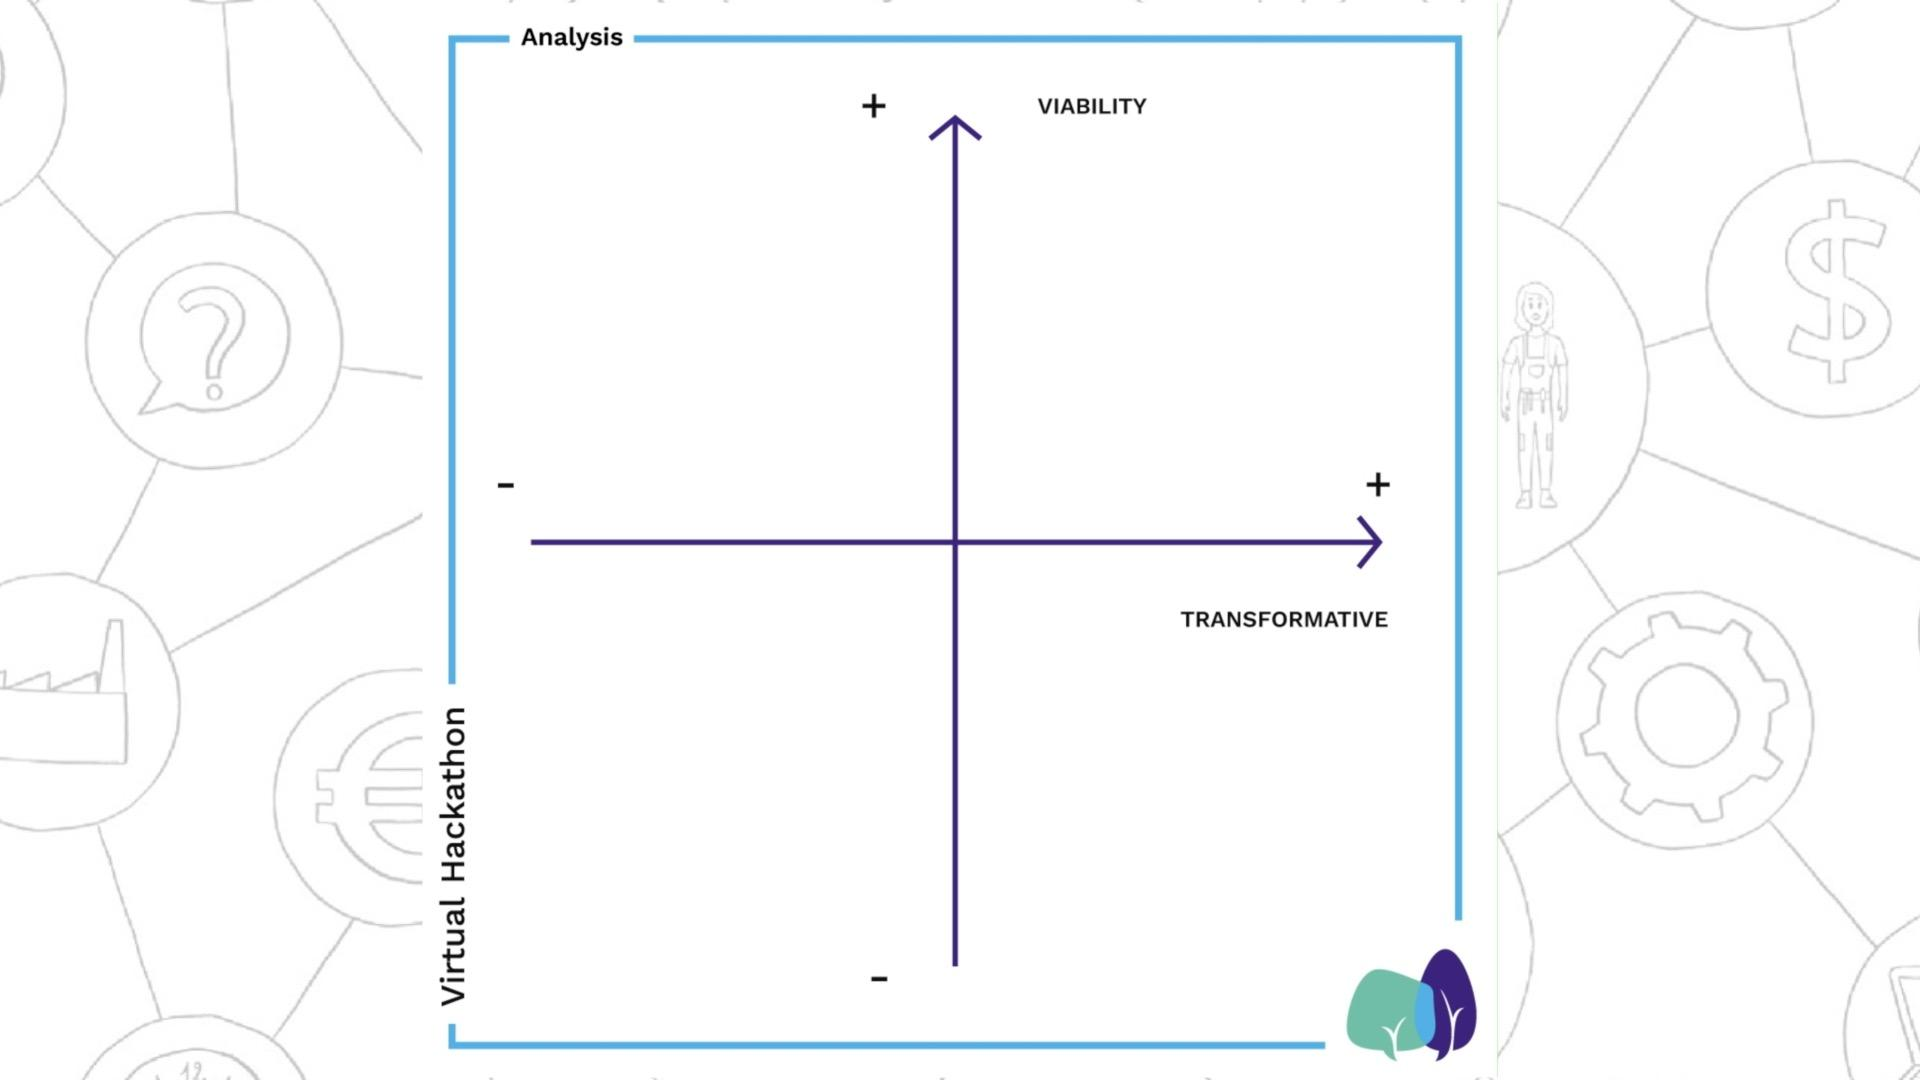

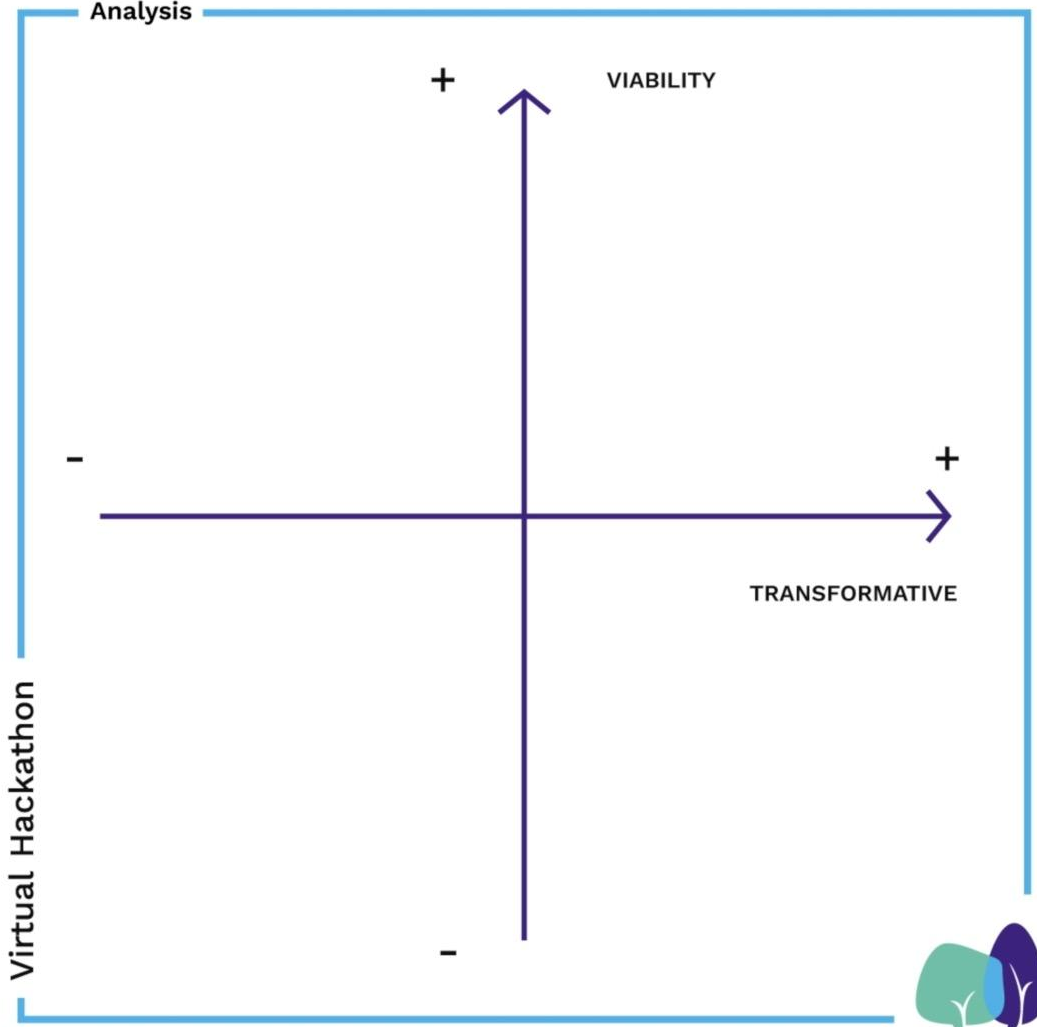

**How long?**

# THE PROCESS

Virtual  
Hackathon

Cofinanciado por  
la Unión Europea

# STEP 1

# Analysis

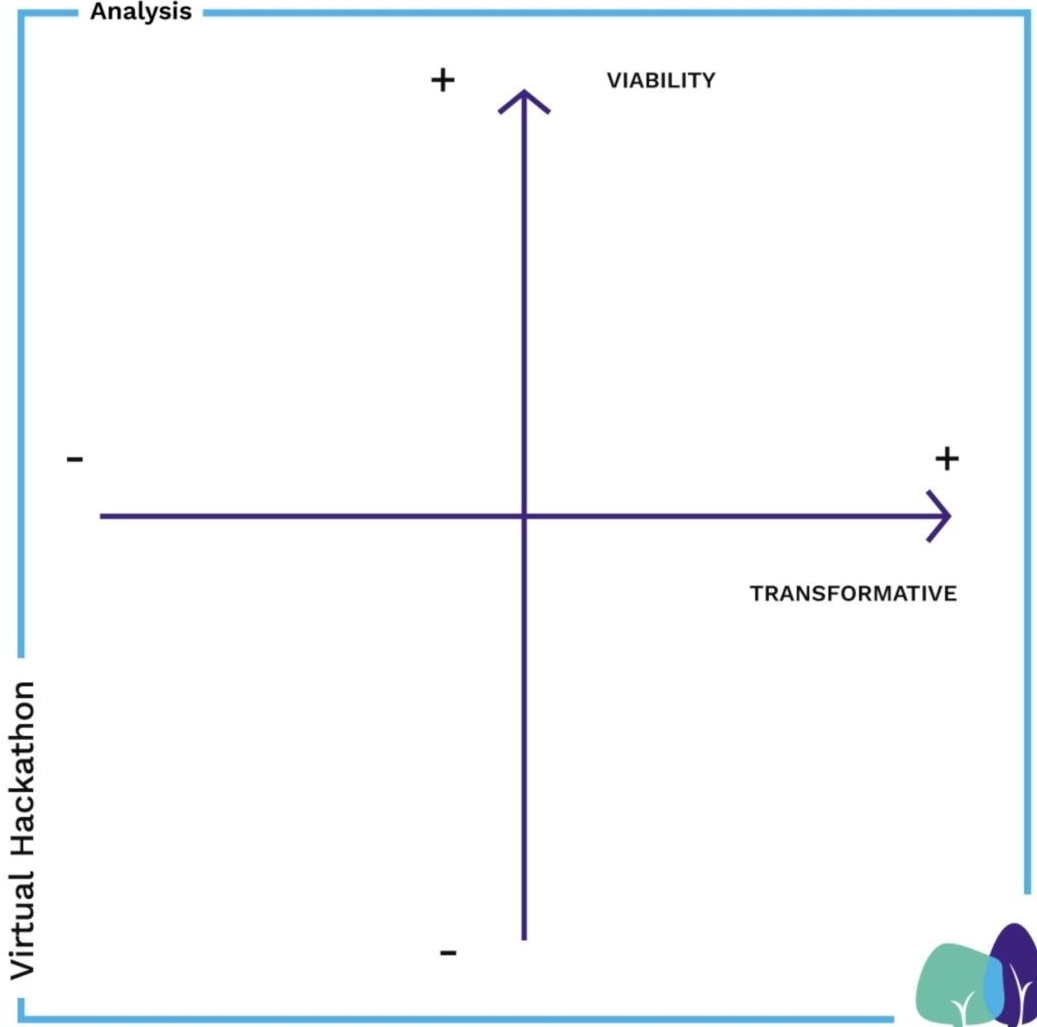

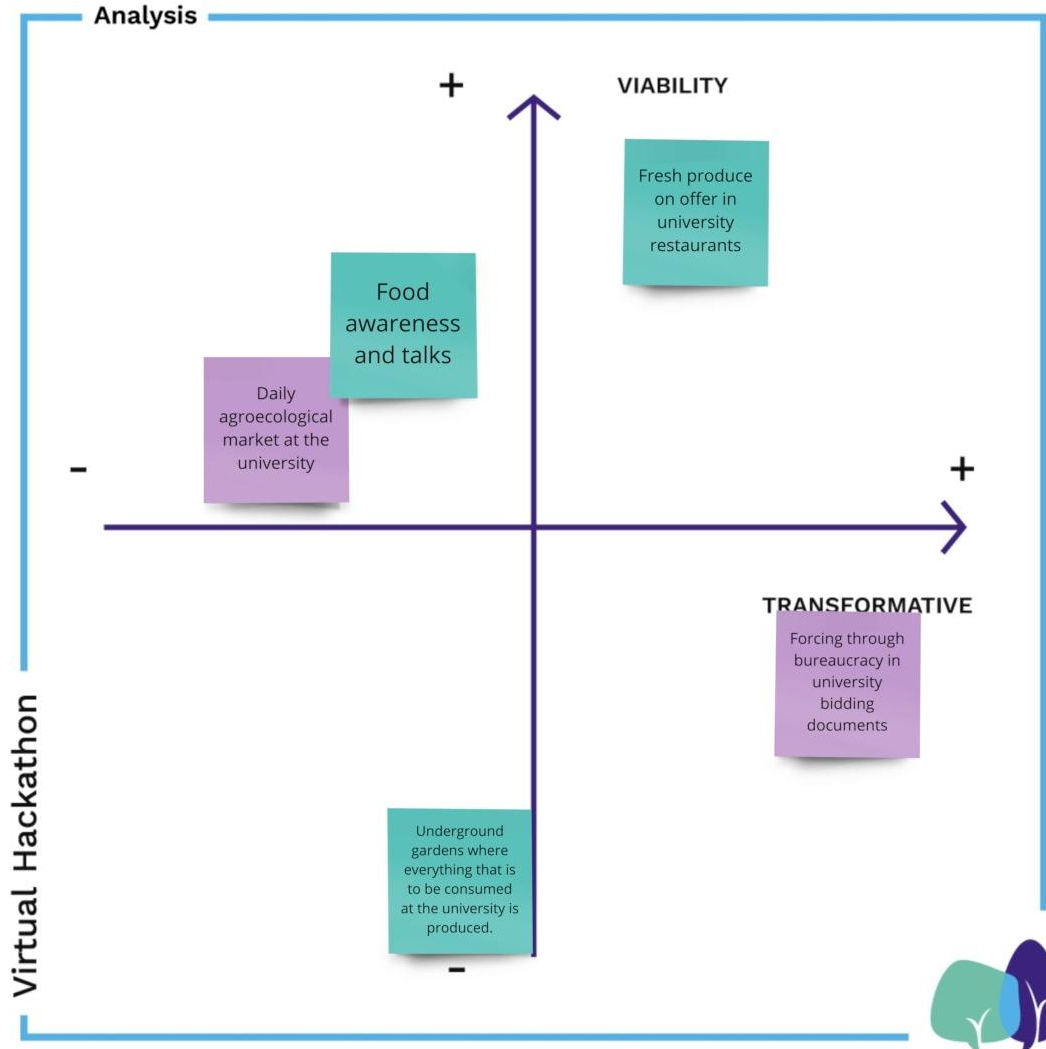

# STEP 2

## Place de ideas

**STEP 3**  
**Decision**

Analysis

+

VIABILITY

Fresh produce on offer in university restaurants

Food awareness and talks

Daily agroecological market at the university

-

+

TRANSFORMATIVE

Forcing through bureaucracy in university bidding documents

Underground gardens where everything that is to be consumed at the university is produced.

-
